## (Synopsis)

VISION: Fulfill that hidden desire of owning a business by service class population.  
Help them build a SECOND SOURCE of income

### What Is Second Income Initiative?

It is a concept to generate second source of income and at the same time create a backup which will last forever. This is targeted for Service class individual only. The vision is to free every service class individual from worries that comes with the job (Like fear of losing job) so that they contribute to their work in more productive manner.

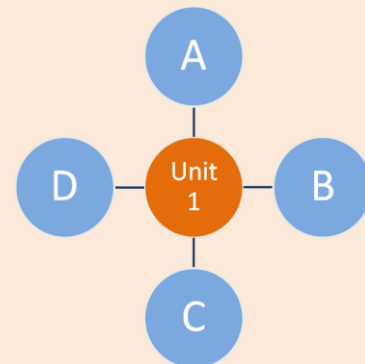

We bring together like minded people and help them set up their dream business that is run and supported by US

### How will we do it?

- ✓ Bring **likeminded** people (A,B,C,D...) in a group of 5 or 10 to start a Unit (1).
- ✓ Group can be formed by **Service class** people only.
- ✓ **Identify** the business that each group, through this unit 1, would want to undertake
- ✓ Create a firm and start the **desired** business
- ✓ Each Unit will have **independent** accounting and monitoring
- ✓ Benefits can be **reaped** by each unit holder as per their share.
- ✓ We will leverage on the **expertise** of the existing business.
- ✓ We will manage the business for **lock in period** post which each Unit will have the option to manage their own setup after a Lock in period

ABCD = Individual partners

Unit 1 = Independent set up

The group come together to built a future for them self
